Cold War Jets Museum Open Day – Bruntingthorpe

The second of this year's open days for our cold war jets museum will be held on 30th August.

The regular array of aircraft will be out on display for all to see and most of the aircraft will also conduct a fast taxi run down the runway.

The Big Textile Show – 27th & 28th Sept at Leicester Grammar School

Jenny Lees is organising her biggest and best (to date!) textile show where you can see exhibitors, take part in workshops and learn from experts about all things textiles. For more information go to the website at: http://thebigtextileshow.co.uk/

Fibre Broadband comes to Arnesby

BT says that fibre broadband is now available in Arnesby. You can check your speed at www.bt.com/fibre or at:

www.superfastleicestershire.org.uk/when-and-where/

Terry Pike from the Peatling Exchange Broadband Pressure Group says:

It is likely that broadband speeds of at least 20Mbs to 30Mbs will be available to the vast majority of residents (much faster than the average 2Mbs at present!). There is likely to be a small extra monthly cost for access to the higher speeds but certainly with BT Infinity contracts there are various offers to subscribers who upgrade to the service and the increase should be quite small. It will also be possible to subscribe to even higher broadband speeds e.g. 80Mbs, at a further additional cost.

There is no obligation to switch to BT as your ISP (Internet Service Provider), as similar services should be available from your existing ISP. It is worth noting that there is also no obligation to upgrade to a contract for the faster speeds at all, if you do not wish to. With fibre connections over most of the distance from the exchange to homes, the speed of your connection should be faster anyway but we do not know yet how fast the connection will be without upgrading your contract.

Arnesby School Silver Award

Congratulations to Arnesby School on their Silver Award from the Soil Association through its Food for Life scheme, demonstrating the school's commitment to a good food culture including growing, cooking and improving the quality of meals.

Fruit & Vegetable Stalls

At bottom of Mill Hill Rd & top of Robert Hall Rd

Brian & Sue Spriggs and Peter & Anna Beeson have produce stalls near their gardens where they, and other gardeners, put their spare produce in exchange for donations which will be given to charity. Please leave suitable donations as explained on each stall.
