Arnesby Village Hall - summary of letter from Brian Spriggs

- Since Arnesby Primary School has been using the hall, other village users have **not** been precluded from hiring the Village Hall.
- The school makes good use of the Village Hall when it is otherwise unused and pays an annual fee for its use of the hall.
- Given sufficient notice, village users take priority over the school.
- Toddler Group & Pilates have use of the hall for weekday sessions.
- The School and Parents Association have contributed generously towards the Village Field and the proposed redecoration of the hall.
