

Friends, Neighbours, Family

With Great Sadness...

Our wonderful, kind and loving son, Billy, passed away on holiday after a fall aged 23 years. We are truly heartbroken. He was a friend to everyone and best friend to us. We would like to thank everyone for the kind messages and support that we have received. Although he was off to travel the world his home was always Arnesby.

Steph and Tom Walkinshaw

A very warm welcome

To Rebecca & Nathan, who have recently moved into Oak Lane, who have asked for me to include this message:

"Nathan and I have been totally overwhelmed by the sheer loveliness of everyone and the true neighbourly feel of the village and wanted to thank everyone for making us feel so welcome. It might sound a little OTT but we feel so touched by the friendly smiles, waves and "Hello's" amongst everything else."

Sincere Thanks...

Sarah, Frances and I wish to express our sincere thanks for the many cards, letters, flowers and visits received following the death of Richard. The kindness of so many friends has been a great comfort at this time. We miss him very much.

Bit Of This, Bit Of That

A Personal Thank you!

The residents of Robert Hall Road would like to thank Jim Neal (son of George & Debbie), for the amazing work he has done clearing the waste land at the bottom end of the road.

Jim has done this entirely voluntarily in his spare time for the benefit of the village.

Congratulations on a job well done.

Village Planters....

Big Thank you to the team of green fingered villagers who filled our planters Suzanne, Lynn, Beryl and Sue.

They will require plenty of water to keep them going, Sooo, if you are out walking in the village, please take a container of water with you to water them.

The Queen's Jubilee – Village Bring & Share – 5th June

Well, what a turnout!! Fabulous to see the village come together in such numbers, with the children having a great time, adults nattering and catching up.... The weather may have been a little cloudy, somewhat uncertain, but the hospitality, and warm greetings from old and new friends most certainly was not! Thank you to the organisers & helpers who set up and cleared up! It would not have happened without you... Lucy & Chris Carter, Brian and Sue Spriggs, Paul Williams, Shane Malone and all those I have no room to mention - your deeds do not go un-noticed! See the Arnesby Facebook page for all the photo's, but here are a few for those that could not make it.

Arnesby Cricket Club in Record Breaking Match!!

Sunday 22nd May started as any normal day. Little did the 9 players cobbled together by the Arnesby Cricket Club know, that this would be a day for the record books! The team were in a weakened state due to a combination of injuries, it being the last day of the Premier League and something about representing his national hockey team (not sure the last one is a good enough excuse to be fair David!). Still, the plucky remaining 9 players went into the field of battle against Loughton and Mowsley CC. The opposition were put into bat first and appeared to be made up of ex-international standard cricketers. We were suspicious as they all appeared to have the OWN KIT and were not selecting their gear from a communal lot stored in a village hall loft. Most strange!

They went about putting on a batting show not seen since the halcyon days of Botham, Gooch and Gatting. The Arnesby faithful remained resolute, plucky underdogs and bowled and fielded their hearts out, restricting the opposition to the minimum amount of runs possible for the full 40 overs. It was then our turn to bat. The lead looked unassailable; the odds were stacked against us, nobody thought we could do it! However, this not being a Hollywood film, they were right.

We lost in the end. Final scores, Loughton & Mowsley 375, Arnesby 113 all out. Oh yeah, record breaking part.

Never before have Loughton & Mowsley scored so many runs in a 40 over match. We all had a great day. Onwards we march to Fleckney!!
