

## Neighbours By Chance, Friends by Choice

**Jagger Swan – We Welcome You -** We have another new baby!!! (I like these announcements) ... **Matt and Elly (The Willows, Oak Lane)** welcomed into their family, on Sunday 8<sup>th</sup> October, **Jagger Jacques Swan**, who weighed 7lbs 6oz's. **Congratulations!**

## Important For Us All

**Village Hall AGM: Tuesday 29<sup>th</sup> @ 7.30pm**

*See the village notice boards for the agenda*

As you may know, I am **standing down as Chairman** of the Arnesby Village Hall Charitable Trust, after **more than 40 years of service**. We have one nomination for a replacement, if anyone wishes to stand for the position, **apply to me, in writing**, with the support of 2 current Trustees. In the event of more than one nomination, we will have a secret ballot of the Trustees at the AGM

**Brian Spriggs (Chairman)**

## What's New?

### Harvest Collection – St. Peter's Church –

An amazing **30.7kg** of products were donated this year, and a heartfelt **thank you from Martin Price from Shearsby and to all those that donated.**

### Quiz Night – 29<sup>th</sup> October –

Thank you to everyone who joined in this very **successful evening**, which raised **£448** for **St. Peter's Church funds**. A special thank you to **Andy & Carol** for running the quizzes and to **Ann, Julia and Sheila & all who helped** with the raffle.

LEGS **AFRICA Thank You for Helping – Every Little Counts - [Legs4Africa | Charity - Getting Africa walking again](#)**

Thank you to everyone who has bought produce from Ferndale's stall, **you have raised £238** this year.

### Wildflower Verge – Opposite St Peters Church – Your Opinion Please -

We hoped to develop, long term, pockets of flora rich areas throughout the village. The aim still is that they become havens, rich in biodiversity for our local wildlife. These sites should become steppingstones for our pollinators and other wildlife along the emerging wildlife corridor throughout Leicestershire.

With the site opposite the church, we feel we need to do something different to make this work. One option would take the support and involvement of the village. **But we need to know if it's something you want to be involved in.**

1. Turn back to a grassed verge?
2. Plant a more formal bed with some shrubs and fill it with flowering pollinator plants to add colour structure. It would be rich pickings for our wildlife.

Option 2 would need work & volunteers help to prepare, plant, water weed and maintain this area. Once established it should start to look after itself but if we have another hot dry year like this year watering will be essential.

Please vote and or volunteer by texting 'Option1' or 'Option2' to **Zandra Byatt – 07825-182-459**
