Doggie Doings....

Notice from Harborough District Council

The current three-year Public Space Protection Orders (PSPO) for Alcohol Control and Dog Controls will shortly be ending, we are therefore looking to extend these orders for a further three years. The current Dog Control PSPO covers the whole District. It created three offences which covers:

- Failing to remove dog faeces
- Failing to put a dog on a lead after a request by an authorised officer
- Failing to have an appropriate means to pick up dog faeces
- These can be enforced by authorised officers at Harborough District Council.

As per the current legislation we are running a consultation with our residents to enable a decision to be made on this proposed extension. Please access the consultation here: www.surveymonkey.co.uk/r/PSPO22
