

Friends, Neighbours, Our Family

It does feel as though we read each month of one or other of our friends, family and neighbours who have passed, and each one is a such a sad occasion. This month, unfortunately, we have two more –

May Hubbard, who passed away last week, lived in the village for some years and most recently has resided in a nursing home. Many of the older villagers will have known May and remember her with fondness.

Dawn Carr, who bravely battled cancer for quite some time and sadly succumbed on 14th August, with her funeral held on 1st September. Friends and family attended.
