Arnesby C of E Primary School News –

Animal Day -

In March we had an 'Animal Day', when children, staff and parents brought their animals to school. We had a pony, dogs, a calf, lambs, guinea pigs and a tortoise. Thank you to everyone who brought their little (and large!) friends into school. We learned all about animal habitats and what they need to live as well as developing confidence in getting to know them better. A massive thank you to all the animals, who were so friendly and patient with the children. A day to remember!

The Coronation -

We are looking forward to welcoming children, families and the local community into school for our coronation service on 2nd May at 9.15am and for a party on the playground on Thursday, 4th May at 12pm. We hope this will be a week the children remember in years to come.

Severn Trent -

Thanks to Severn Trent, who, in recognition of the disruption caused by the road closures, have offered to provide astroturf and other resources for the children's playground. This will make a massive difference to the children, especially now the summer weather is coming. We are extremely grateful for their contributions.

Severn Trent Update -

You should all have had a letter recently from Severn Trent, but as a recap and a reminder:

- They have completed laying all the pipe in the ground and the road closure
- Road is now open.
- Important connections are still to be made.
- They will then need to abandon the old water pipe before making the area where they have been working good again.
- To carry out these final sections of a set of traffic lights around the working area will be applied, this will take up to six weeks to complete.

They are aware that there are resurfacing works to do to the end of Welford Road and they are working with the local authorities to find a suitable time when we'll be able to re visit this section to minimise disruption to the community.

- Any retail business affected please contact our Business Loss Team -BusinessLoss@severntrent.co.uk for further advice.
- General enquiries -about this work, please get in touch with Lisa Orme on 07790 845234.
- Visit our 'Planned Improvements' webpage at www.stw.works and scroll down for Arnesby to Knaptoft
- If you experience any issues with your water or sewerage service while the work is being done,
- 24-hr operations centre can be contacted on 0800 783 4444.

A quick update on cricket -

Arnesby cricket team are looking for new players. Please get in touch if you are tempted to have a go. The emphasis on these matches are for fun and providing a venue for a village gathering. In the past we have seen many novice players come and enjoy a taste of cricket. These matches have also been great occasions for the family to bring a picnic, enjoy the countryside and (occasionally) see a bit of cricketing skill!
