Village Music -

Hi everyone, Graham from Hall Farm calling...As some may know, Cathy and I are into music and was wondering if there are any other musicians in the village who would like to get together for a jam - no pressure, just a relaxed evening going through a selection of songs and a chance to learn and share. I have some spare instruments if that helps. Probably to be held at our place - Hall Farm on St Peter's Road on Wednesday evenings. If anyone is interested, please PM me on gprmail1@gmail.com or give me a call on 07785561181.

Pop Up Supper Club Evening –

Jenny Lees and Sue Cooper are hoping to provide a 'pop up supper club' evening in the village hall on Saturday 9th December. There will be a set three course menu, which will be confirmed once they know whether there is enough interest. The aim is to get together for an evening, share some food and have a nice time, (with no washing up!) Any profit will go towards the list of improvements for the hall.

Please could you message Jenny or Sue so that they can see how many people would be interested. The cost is likely to be about £20-25 per person. They are aiming for about 36 people in total. If it's a success they may do another one!!

- Sue Cooper text 07534 897 037 email susanlauracooper@gmail.com (or by note to Long Acre)
- Jenny Lees text 07885 473 057 email jen.lees@avantek.co.uk (or by note to Arnesby House)

Million Step Challenge – Blinkin' well done!

Hello everyone, you may have seen me walking round the village and local footpaths in all weathers. I have been undertaking the 1 million step challenge to complete the target from 1 July to 30 September. This is to raise funds for Diabetic research - having been a type 1 diabetic for 50 years, this is a cause I had to support.

I achieved my target on 11 September, 19 days ahead of schedule having completed the Leicestershire Round path and lots of interesting walks.

Spring bulbs around the village:

Do we need to plant more bulbs on the greens and verges around the village? For several years around this time of year volunteers have planted many bulbs which brighten up the village in Spring. Send your thoughts on this to berylcane@btinternet.com or tel: 0758 2370336 or 2478136.

Parishy Stuff (really quite interesting) ...

Thank you Leigh Maidment

The Gated Road to Peatling Magna

We have had numerous requests to see if there is anything that can be done about the speeds at which some vehicles are travelling down the gated road to Peatling Magna as people use it regularly for riding bikes, walks with dogs, exercising and obedience training for children (I think that's the right way round) and staggering back from The Cock Inn. We have explored the possible avenues and unfortunately there aren't any regulatory actions that we can take. Our only course of action, therefore, is to ask villagers to help dissuade drivers driving at excessive speeds by closing the gates behind them as they pass down the road. It's not a lot, but it may help!

Budget Time

We are now into the second part of the Parish Council financial budgeting. This is the time at which we begin to think about the Parish Council priorities for next financial year (forearmed and all that!). As our ultimate aim is to serve you, the parishioners, in the best way possible, we would like ask you to have a think, a chat, and a conversation with one of your Parish Councillors to raise what you would like us to do next year. These can then be fed back to the Parish Council and brought to our next meeting on Tuesday 21st November at 7:30pm in the village hall. Your councillors are David Johnson, Jenny Lees, Zandra Byatt, Bob Jones and John Mawby.

Handy Contacts / Village Business Advertising -

Let's Create a Trade Directory - Guys, I think it would be a good idea to create a **directory of handy contacts**, and this may be your own business or one you have used and are happy to recommend to others. I often see people do shout outs for assistance or contact details.. Why would we not centralise that?

My idea is that I **could include this directory periodically within the newsletter**, with the added benefit of free advertising to those that want to take advantage!! What's not to love?

This is not intended that you expect free work or services of course, and if you do contact a business, then expect to pay, or request a quote as normal.

If you do provide contact details, **please let me know if you have asked their permission first**. If not, then I can certainly make contact and check they are happy for their details to be included.

Please email me or message me and I will compile. Thank you. **Philippa**
